- **Cloud Apps Development** for Amazon Cloud (AWS), Google Cloud.
- **Continuous Integration (CI)** and **Quality Assurance (Q/A)** for improvement of your software development processes and quality of your software using Jira, Mantis, Redmine, Jenkins, Selenium.

Optimum-web is growing its locations constantly and currently it has 3 own development centers with location in Kiev, Odessa (Ukraine), Chisinau (Moldova) and some sales points in USA (New York, San Francisco), Spain (Barcelona), Israel (Hadera), Russia (Moscow).

We helped many companies worldwide to grow their business and here what our customers say about us.

"We tried to do it alone, without success. Now, we can effectively compete with organizations 10x our size."

John M Ellsworth, CEO, HR communications, Inc.

"Optimum-web has been our one partner in business we can always depend on. We have worked together for over 10 years and we feel that they are part of our internal team. Several times Optimum-web went far beyond the norm to help us launch projects and their work ethic is unsurpassed. If you are looking for the right partner in the business we highly recommend them.",
Steve Siopsis, Virtual Interactive Center, CEO.

"CityRepro, INC. has received years of expert IT services from Optimum-web, including but not limited to web design and Flash animation. All of the projects have been done in a timely fashion with a professional approach and at a reasonable rate. We believe that the web services designed & implemented by Optimum Web are directly responsible for a 50% increase in our clientele. We've had many inquiries about our web-site and have always referred interested parties directly to Optimum-web. They're a pleasure to work with."

Alex Nuric, CityRepro, Inc., CEO & Founder

"Optimum-web is a pleasure to deal with. They can always deliver projects in time and provide high quality. Service and fast feedback are 2 main priorities in the company. Together we have delivered many successful projects to our end-customers. We highly recommend to use their outsourcing services.",

Alex Teplish, BBS, CEO

"I have been working with Optimum-web for 10 years. You don't get better than Optimum-web. Besides this firm I have team members in 8 countries and in IT for 20 years. I can honestly tell you all the critical, complex and priority work are sent primarily to Optimum-web staff. Anything running mission critical projects I have delegated under their control. I personally vogue for Optimum-web company."

Alexander Bordbar, Philex Enterprises, Inc.
